

Proposed symposium – EDA 2021

- One or more members of the European Delirium Association (EDA) or of the other co-organizing societies can propose a thematic symposium on delirium for the 2021 conference edition.
- The dedicated time for the whole symposium is 1 hour (7 to 8 pm on Thursday November 18).
- The proposed structure for the symposium will include a title, a moderator and 2-3 speakers.
- For the submission, the following details are needed:
 - Presentation of the idea and topic, with a short justification, the main goal of the symposium and its structure (N of speakers, assigned time for each, proposed title for the whole symposium and for each talk, other details if appropriate). Maximum 250 words
 - For each talk included in the symposium: title, name of the speaker and short presentation of the topic of the talk. 200 words for each talk, maximum.
- The proposals will be reviewed by the scientific committee members
- In case of no acceptance, the abstracts will be reoriented to be evaluated as oral presentation or posters, unless the proposers explicitly indicate their preference of not doing so.
- Deadline to propose a symposium **September 10, 2021**.
- All proposals have to be sent to the congress secretariat: martagratacos@academia.cat
- All proposed symposiums that we received after September 10, 2021, will be not accepted.
