

EDA 2021: Abstract Submission

Abstract submission

To submit an abstract please read the abstract submission guidelines and submit your abstract online by clicking on the button below.

Abstract submission guidelines

Submission deadline is ~~20 September, 2021~~ **extended to 3rd. October, 2021!!**

The abstract will be evaluated using the following guidelines.

1. Please submit the abstract in the English language, the language that will be used during all scientific sessions
2. The following items have to be covered in the abstract (no headings for these paragraphs are required):
 - A. Introduction: describe research background, hypothesis and research question
 - B. Methods: describe how the study was performed
 - C. Results: please present a summary of the most important results based on sufficient quantitative analysis. Statements such as "to be completed" will not be accepted
 - D. Conclusion: please present a conclusion based on the results. Statements like "the results will be discussed" will not be accepted
3. All abbreviations have to be explained upon first use
4. Format:
 - a. Title: maximum 20 words, provide a short clear title reflecting the content of the abstract. Use generic names only, no commercial names
 - b. Abstract: maximum 300 words excluding title, authors and affiliations

Submission deadline is **3rd. October 2021**. After this date, the link to submit abstracts will be disabled

Early October 2021 the author will receive notification of acceptance for an oral or poster presentation as decided by the Scientific Program Committee. Correspondence on this decision is not possible.
